Here Are Two Reasons

for using a letter of credit when you travel. There are plenty more, but these two good reasons should appeal to you. First, its convenience. Second, its safety. You can get money without any trouble and a letter of credit is susceptible neither to forgery nor theft. Investigate further before you take that trip.

ARMY & NAVY ST. LOUIS WILL DOCK SATURDAY; IS COMING HERE

Hawaii's First War Vessel Is
Heard From; Lieut.-Cmdr.
Houston Commanding

Some time Saturday morning, probably about 9 o'clock, the U. S. first-class cruiser St. Louis, Hawaii's first naval vessel assigned here for permanent station, will reach Honolulu from Bremerton navy yard, near Seattle, Washington, says a radio message received last night from the cruiser and delivered this morning to the commandant of Pearl Harbor, Rear-Admiral Clifford J. Boush. The St. Louis left Bremerton Saturday.

The message says the St. Louis will come to Honolulu first, and will be at this port several days coaling and taking on supplies before leaving for her permanent station at Pearl Harbor as flagship of Admiral Boush, who is commandant of the 14th Naval District, with headquarters at Pearl Harbor. She will dock here at the naval slip.

Lieut.-Cmdr. Victor S. Houston signed the message. This proves he is in command of the cruiser and will be her permanent commander at Pearl Harbor. The lieutenant-commander is well known in Honolulu, having been in charge of the U. S. lighthouse service of Hawaii before it was turned over to civilian management.

NEW KIND OF MUSIC IS BIG ATTRACTION AT SATURDAY DANCES

So successful was last Saturday night's National Guard dance in the armory, when Hawaiian music exclusively was used, that the management has decided to retain the island musicians the remainder of the summer.

Saturday evening the second of the dances with Hawaiian music will be held. Attendance at these affairs is showing a steady gain, and the big armory floor is thronged once a week with devotees of Terpsichore. Dancing begins at 8 o'clock and continues until midnight.

ENLISTED MEN WILL BE GIVEN EDUCATION

Vocational and special training schools for enlisted men of Oahu are soon to be established by the Hawaiian Department under the requirements of the national Defense Act of June 3.

It is expected the schools will be opened at four or more army posts on this island, as unofficial estimates place the number of men who have volunteered for the courses at close to 2000.

Training has previously been given enlisted men in various lines of vocational instruction, but only to fit them for positions in the army, and not in civil life. The new law provides for training which will fit enlisted men for various trades and professions after discharge from service.

FIRST NIGHT DRILL TO BE HELD BY WAIKIKI CO.

The first C. A. C., Hawaii National Guard, has its first night drill with the 60-inch searchlight and the big guns at Fort De Russy this evening, beginning at 7:15. Capt. G. K. Harrison will be in charge and Lieut. Louis D. Pepin of Fort De Russy will assist in superintending the practice. Other C. A. C. National Guardsmen have been invited. Evening drill will be on the last Thursday of every month.

PAGO-PAGO MAN AND GIRL MARRIED HERE

Walter J. N. Hancock of the U. S. naval station, Pago Pago, American Samoa, and Miss Elizabeth Parker, also of Pago Pago, arrived on the Sierra Tuesday morning, were married here a few hours later by Rev. Henry Pratt Judd and left that afternoon as Mr. and Mrs. Hancock on the same steamer for the mainland.

Lemonade or any acid drink will curdle the milk if it is put into the refrigerator with it.
